

IMPORTANT NOTICE TO INSURECOM USERS

Broker Direct are delighted to announce the release of the Zurich Commercial Vehicle product, our first Full Cycle EDI CV Insurance product available to Insurecom users.

Zurich Commercial Vehicle FCEDI, makes it quick and easy to arrange competitively priced and high quality cover that includes:

- a loan vehicle while the client's vehicle is being repaired by an authorised repairer following an accident
- new-for-old replacement if the vehicle is damaged beyond 50% of its list price and is less than a year old
- optional protected no-claims discount
- experienced claims handlers available by phone 24 hours a day, 365 days a year

This policy covers commercial vehicles weighing up to 3.5 tonnes including:

- car-derived vans
- transit-type vans
- pick-ups
- small lorries

Zurich are hugely experienced in the commercial market and have been providing non-fleet commercial vehicle insurance for many years. By recommending this product you can take advantage of their extensive underwriting and pricing expertise.
